EDUCATION

Nelson Mandela University **Port Elizabeth, Gqeberha**

BCom Computer Science & Information Systems *Expected Graduation, April 2026*

- **Concentrations:** Software Development, Information Systems, Data Analysis
- **Related Coursework:** Computing in C# & Java, Data Structures & Algorithms, Objects & Design, Object-Oriented Programming, Computer Applications

EXPERIENCE

Nelson Mandela University **Port Elizabeth, Gqeberha**

Student Assistance (COMPUTER APPLICATIONS AND PROGRAMMING) *Mar 2023 – Jun 2023*

- Assisted lecturers in the Computing Sciences Department with academic and administrative support.
- Supported students in modules WRAV101(Programming Fundamentals 1a) and WRFV101(Computing Fundamentals 1.1), clarifying concepts and assisting with coursework and practical tasks.
- Helped with marking, tutorial support and learning material preparation.
- Developed strong skills in communication, problem-solving, time management and technical support within an academic environment.
- Worked collaboratively with academic staff to support effective teaching and student learning.

PROJECTS

Church Explorer **Port Elizabeth, Gqeberha**

Team Lead *Jul 2024 – Nov 2024*

- The system is designed to run on Windows 10. It was developed using Visual Studio 2022 with ASP.NET Web Forms. The database is created using Microsoft Access
- Church Explorer is a web based system which is dedicated to easing a students process of finding a church in Gqeberha. We understand how it may be difficult for students who are new to an area to find a church within their denomination

ACTIVITIES AND LEADERSHIP

METROREZ Student Accommodation **Port Elizabeth, Gqeberha**

Student Leader *Jan 2025 – Oct 2025*

- Collected, organized, analyzed and interpreted student intake data to support administrative and operational decision making
- Utilized Microsoft Excel to perform data collection, data cleaning and data visualization
- Prepared reports and visual summaries to communicate insights effectively to management
